

Compliance | On London

Compliance on London incorporates all the services we offer with respect to the everyday tasks that must be completed in line with IRD regulations.

Accounts Preparation

Modern business demands up-to-date, accurate financial information. We can relieve you and your staff of the enormous burden of all your bookkeeping and accounting requirements, including the preparation of your annual accounts and periodic management accounts for tax, business appraisal, planning purposes and more.

Income Tax Returns

We offer a full range of taxation services and we offer advice based on proven knowledge and experience. Taxation can be a major cost to your business. We will work with you to minimise your tax and help you achieve your key objectives. We provide a complete service of assistance and advice

GST

GST legislation is an area we know like the back of our hand. We can offer accurate, timely assistance in several areas, including:

- Registration queries
- Preparing GST returns
- Filing and adjusting GST returns
- IRD audit assistance
- Specialist events involving GST eg: sale or purchase of property

FBT Management

The rules for FBT payments change on a regular basis. At Accountants on London we keep up to date with the latest tax trends, enabling us to provide accurate advice on preparing FBT returns. We can also advise on the FBT consequences of proposals you intend to make, ensuring you make informed decisions.

For professional assistance with your accounting, compliance and taxation. Call us today to see how we can reduce your stress and maximise your return.
